

Admission and enrollment to the 1st year of study

Decision of admission

- The issuance of a decision is expected approximately 5 days after the end of the deadline for delivery of documents (in the case of a doctoral study after the date of the interview).

Electronic enrollment

- **Before the electronic enrollment the applicant must give consent to enrollment!**
- In the electronic application, there is a "Consent to enrollment" button next to the application, which needs to be confirmed.
- **Consent to enrol must be given by the deadline specified in the electronic application.**

Data checking

- After enrollment (which will be done by the study office) student will receive by e-mail his login and instructions for setting the initial password at <https://uzivatel.vsb.cz/nove-heslo>.
- **Enrollment will be made in July at the earliest.**
- **After the first login to the Edison information system <https://edison.vsb.cz>, it is necessary to check the data!**

Next steps

- Information about student ID card you can find here: <https://www.vsb.cz/cit/en/services/card-center/>

Bachelor and Follow-up Master studies

- Students have to contact branch department and solve enrollment of subjects. Schedule will be in information system Edison before semester start.

Doctoral studies

- A personal study plan (PSP) is compiled by the student in the information system Edison and it is created for the whole study.
- More information about the PSP and other information you can find here: <https://www.fe.vsb.cz/en/study/doctoral-study/>
- All other information will be provided by the supervisor and the department.

Start of the semester

- **The winter semester begins in September according to the academic schedule for the given academic year.**
- Academic schedule you can find here: <https://www.vsb.cz/en/study/academic-schedule/>
