

Completion of study of FEECS graduates (Bachelor's and Follow-up Master's studies)

General information:

- **Final State Examinations (FSE)** are organized by the university department in the field that you have studied.
- **The status of an FEECS student is something** you will only have until the successful completion of the final state examination.
- **The Final State Examination can be reseated once.** The student reseats only that part of this examination in which he was classified with a “failed” grade.
- **In the event of failure at Final State Examination,** you should come to the study department to discuss the possibility of completing your studies.
- **Access to the school e-mail address** will be maintained for six months after the completion of studies.
- **If you have received any scholarship** during the academic year 2025/2026, **do not cancel the bank account** to which the scholarship was paid after the state examinations, because the last payment of scholarship will be paid.

Graduation of graduates (only in Czech language)– registration for graduation ceremony

- **Registration for participation in the graduation ceremony is made through the electronic payment system of Technical University of Ostrava (<https://eps.vsb.cz/>).**
- **You will become a registered participant in the graduation ceremony after paying the fee of CZK 500.**

The fee must be paid no later than on June 12, 2026.

No fee paid after this date will be taken into account.

Dates of graduation ceremonies:

Bachelors: June 23, 2026

Engineers: June 24, 2026

The exact schedule of the graduation ceremonies according to the study fields will be published no later than on June 16, 2026 at:

<https://www.fei.vsb.cz/en/student/information-for-students/index.html>

Picking up your diploma without attending the graduation ceremony

In case you do not intend to attend the graduation ceremony, **you need not pay the fee for the graduation ceremony** and you can arrange to receive your diploma at the Study department of FEI after the date of the graduation ceremony from June 26, 2026.
